"E-NEWS" the weekly bulletin from ATU LOCAL 689

UNION WINS CONTRACT!!!

Just before the close of business on Friday July 22, 2011 President Jackie Jeter received a call from the lawyers representing ATU Local 689 in our contract dispute with WMATA. "We Won!" President Jeter announced, igniting cheers throughout the building. Union Hall staff quickly phoned all Shop Stewards to notify them of the good news as President Jeter addressed the Executive Board members, who had been assembled in the board room for their regular monthly meeting. News of this victory was immediately posted on the ATU Local 689 website and Facebook group.

As word spread amongst the membership many calls came into the Union Hall asking "Are the rumors true? Did we win the contract?" Everyone at the Hall was happy to finally be able to answer **YES! The rumors are true! We Won!**

The full ruling from the judge has been posted on the ATU Local 689 website at www.atulocal689.org Check the website often for updates on what happens next!

PLEASE NOTE: The Authority has promised they will NOT appeal this decision; however they have the legal right to do so.
