LOCAL 689 SUPPORTS OCCUPY DC

On October 6, Local 689 Officers attended the Occupy DC rally held at Freedom Plaza in Washington, DC. This protest is an offshoot of the [Occupy Wall Street](#) rally which began in New York on September 17th. Protestors oppose the fact that 1% of Americans earn 25% of the income in this country; protestors refer to themselves as the other 99%.

The rally on Thursday was a part of the "[Human Needs, not Corporate Greed](#)" protest which marked the 10th anniversary of the start of the war in Afghanistan and protests the use of taxpayer money to fund the war.
