

FOR IMMEDIATE RELEASE

Forestville, Md - July 16, 2018: ATU Local 689 has accepted a meeting with Paul Wiedefeld's designees tomorrow. Our union is prepared to sit down and have a genuine conversation about the issues that got us to this point. It is not our intention to disrupt the MLB All-Star game, and we would hope that WMATA shares our desire to talk in good faith and will not to use this meeting as a stop gap to get through the big day. We look forward to reporting back to our membership tomorrow afternoon what progress, if any, was made during the meeting.
