

FOR IMMEDIATE RELEASE

Forestville, Md. - July 23, 2018: The leadership of ATU Local 689 had its third negotiation meeting with designees of WMATA General Manager Paul Wiedefeld today, and the meeting was productive. Mr. Wiedefeld has still not attended the negotiations.

Due to a scheduling conflict on WMATA's part, the next negotiation meeting will be Monday, July 30. WMATA and ATU Local 689 will, however, continue to confer via email and teleconference throughout the week. The union looks forward to a formal agreement in the very near future.
